

WINTER HANDICAP SERIES 2017/18

The first of the WINTER HANDICAP SERIES will be on:

Sunday 29th October. Starting at 11am.

**Please arrive early to register and collect your Winter Series race number.
(Number to be used for ALL races)**

It will be 4 miles (2 x 2 mile laps) all on road, 'slightly' undulating.

The start & finish will be at the far end of Scalby Mills Road (top of the hill, see map).

The race will be run on a handicap/staggered start basis, (no mass start).

The route goes down to the Sea Life Centre, along the Prom, right to pass the Open Air Theatre, right just past the train station onto Burniston Road, right back up to Scalby Mills Road....Then do it again!!!

Details will be posted of the other race dates as soon as we get them sorted.
Probably 5 with the best 3 results to count. Just as the Summer Series but no knockout...
